

MUHAMMAD FAYAZ

UI/UX Designer

Hi, I'm Fayaz, a passionate UI/UX designer specializing in turning creative ideas into user-friendly interfaces. With expertise in color theory, typography, wireframing, responsive design, and prototyping, I focus on making each design both functional and visually appealing. I believe great design enhances the user experience and leaves a lasting impression. I'm always eager to learn new techniques and stay updated with the latest trends to keep my designs fresh and innovative.

Experience

- UI/UX Designer
 - @ Home
 - jun 2024 - Current
 - Worked on home freelance personal dummy projects to practice and enhance my skills. Designed user-friendly and interactive interfaces by utilizing wireframing, prototyping, color theory, and typography. These projects allowed me to improve my design capabilities and better understand real-world design challenges.

- UI/UX Design Traning
 - @ Tensai Devs
 - sep 2024 - nov 2024
 - Completed comprehensive training in UI/UX design, focusing on core design principles, including wireframing, prototyping, color theory, and typography. Gained hands-on experience in creating user-friendly interfaces and improving design workflows to meet user needs effectively.

Education

- Matriculation (Science)
 - From: Paramount Academy
 - Shinkhari, Mansehra
 - 2018 - 2020
 - Completed Matriculation in 2020 with a focus on science subjects, including Physics, Chemistry, and Mathematics. Developed a strong foundation in scientific concepts and analytical thinking during the academic journey.
